

HAITI ANGLING APPEAL FUNDRAISER

Predator Day - Raffle - Auction

AN APPEAL FOR RAFFLE PRIZES

Angling needs your support to raise £10,000 for the children of the recent Haiti earthquake

Fisheries and the angling trade are uniting for an unprecedented fund raiser to help humanitarian efforts following the Haiti earthquake. It is believed the 7.0 magnitude quake on 12 January killed 200,000 people with an estimated 1.5 million left homeless. Touched by the disaster David de Vere owner of Bury Hill Fisheries has decided to act, enlisting support from Kevin Coe, owner of Llyn Y Gors fishery and The Fishing Warehouse.

A charity Predator Day, Mega Raffle and Auction will be held at Bury Hill Fisheries on Saturday, February 27th.

HOW YOU CAN HELP

The Mega Raffle and auction prizes are being donated by a cross section of the angling trade and industry. It is hoped to make this the largest event of its kind in angling history.

We desperately need as much support as possible in order to achieve the target fund!

We are appealing to everybody in the angling and outdoor industries to support this fund raising effort by providing ANYTHING we can use as a raffle prize. From clothing to fishing tackle, gift vouchers or even holidays and fishing tuition days. In simple terms, we are totally dependant upon the industries collective generosity.

Please notify David de Vere via info@buryhillfisheries.com if you are able to support this fund raising effort.

Prizes should be sent to:

Kevin Coe, Llyn Y Gors, Llandegfan, Menai Bridge LL59 5PN

From where they will be dispatched nationwide following the raffle.

Raffle Tickets and details of the growing list of prizes will be available on-line from early February through a website dedicated to the Haiti Angling Appeal and will cost just £1 each.

Click on www.haitianglingappeal.co.uk to buy tickets

WHERE THE MONEY WILL GO?

Both David and Kevin feel that the monies raised would be more focused and worthwhile given to a small charity which has a long standing presence in Haiti rather than supporting one of the bigger emergency relief charities. We have chosen to support **SOS Children** a British charity based in Cambridge (registered charity number 1069204) who has had a presence in Haiti since 1978. You can read more about SOS Children at:

<http://www.soschildrensvillages.org.uk>

Thanking you in anticipation.

Regards

David de Vere Kevin Coe
